"Another Day In Paradise"

She calls out to the man on the street

"Sir, can you help me?

It's cold and I've nowhere to sleep
Is there somewhere you can tell me?"

He walks on, doesn't look back

He pretends he can't hear her

Starts to whistle as he crosses the street

Seems embarrassed to be there

Oh think twice

'Cause it's another day for you and me in paradise

Oh think twice

'Cause it's another day for you, you and me in paradise

Think about it

She calls out to the man on the street

He can see she's been crying

She's got blisters on the soles of her feet

She can't walk but she's trying

Oh think twice

'Cause it's another day for you and me in paradise

Oh think twice

It's just another day for you, you and me in paradise

Just think about it

Oh, Lord, is there nothing more anybody can do?

Oh, my Lord, there must be something you can say

You can tell from the lines on her face

You can see that she's been there

Probably been moved on from every place

'Cause she didn't fit in there

Oh think twice

'Cause it's another day for you and me in paradise

Oh think twice

It's just another day for you, you and me in paradise

Just think about it

Just think about it

It's just another day for you and me in paradise

It's just another day for you and me in paradise

It's just another day for you and me in paradise

Just think about it
