

Speaking Task:

With your group, discuss the following questions related to the impact of IoT on society. You should choose a manager (a member to manage the discussion) and a reporter (a member to report the answers).

1 - How do you think IoT could impact our daily lives in the future (will it make our lives easier or more complicated)?

2- Are there any ethical concerns related to the use of IoT? If so, what are they?

3- How can IoT help to make Algerian cities more efficient, sustainable, and livable?
