

Communication : Presenting yourself

Purpose: we practice

writing a paragraph to share informations about you to your colleagues, friends

aim: break the ice between the group, building links us

Questions: who are you ?

why did you choose to study biology, to do this master ?

what are your hobbies? what do you like to do in your free time?

what do you hope to do in the future? do you have any idea for a project?

do you like travel? where do you like to go?and why?

do you like sport? do you practice sport?

do you like movies? what are your best ones? ...could you describe it to me ? or what it talk about?

do you like reading? what kind of books do you like?could you share with me more? how they influenced you or your career?
