

Level: **Master I (LS)**
Module: **Methodology in Social Sciences**
Teacher: **Prof. ZIDANE**

ASSIGNMENT CORRECTION
2023-2024 (1st Semester)

QUESTIONS

Answer the following questions using your own arguments and examples:

1- Interpretivism was adopted to investigate language acquisition; the researcher used one structured interview to ask the interviewees about their opinions concerning the topic. Comment (in a paragraph).

2- Write a short essay in which you explain the appropriate methodology for studying the issue of students' self-confidence.

CORRECTION

Paragraph : 07 pts (Content: 03 pts / Form: 04 pts)

- Interpretivism involves the collection of qualitative data. The use of the mixed methods approach may be more suitable. (1 pt)
- The structured interview asked the interviewees about their opinions; thus, it gathered just qualitative data; it should be employed to collect different types of information. (1 pt)
- The use of one instrument is not enough; other research tools should be used (1 pt)

Form:

- Word choice (0.25 pt)
- Capitalization and punctuation (0.25 pt)
- Spelling (0.75 pt)
- Grammar (1.5 pt)
- Fluency (0.25 pt)
- Personal style (1 pt)

Essay: 13 pts (Content: 06 pts / Form: 07 pts)

- Refining the title. (1 pt)
- Identifying the research paradigm. (0.75 pt)
- Identifying the research method. (0.25 pt)
- Writing research questions. (0.75 pt)
- Formulating hypotheses. (0.75 pt)
- Identifying the research instruments. (0.5 pt)
- Examples (2 pts)

Form:

- Word choice (0.5 pt)
- Capitalization and punctuation (0.5 pt)
- Spelling (1 pt)
- Grammar (3 pts)
- Fluency (0.5 pt)
- Personal style (1.5 pt)

Attendance Evaluation

Points for each session:

Presence: 20

Absence: 00

Justified absence: 10

TD Grades

The TD mark represents the average of the assignment grade and the attendance score.
