

### The official model answer for the exam

**Activity One:** Provide an appropriate definition (In English) for each of the following terms ( 05 pts)

-(2.5 pts) **Charter Party:** A single contract of affreightment, typically for the rental of a ship

The (*Charter Party*) is specialized legal term within the maritime transport, it is important to note that “*charter party*” is not used for other types of contracts outside the shipping context.

-(2.5 pts) **Maritime Law:** is a branch of law governs private and commercial activities related to navigation at sea, ships, crews, and cargo and port infrastructure. It is primarily a private and commercial law, although is also includes aspects of public law (such as maritime safety)

**Note:** Other definitions may also be used, as long as they are correct in meaning and use proper language.

**Activity Two:** Translate the following passage into Arabic, using formal and legal terminology appropriate to the context of Maritime and Transport Law: (05 pts)

Maritime and Transport Law is a branch of law that governs activities related to navigation, maritime commerce, and the transport of goods and people by sea. It also covers certain aspects of multimodal transport.

القانون البحري والنقل هو فرع من فروع القانون الذي ينظم الأنشطة المتعلقة بالملاحة، والتجارة البحرية، ونقل البضائع والأشخاص عبر البحر. كما يشمل أيضا جوانب معينة من النقل متعدد الوسائط.

**Note:** The passage must be translated with 100% accuracy, without accepting approximate translations or general ideas, especially regarding translations or general ideas. Any add or missing word will result in a point deduction.

**Activity Three:** Identify and discuss the principal areas of study within Maritime and Transport Law. (08 pts)

- The paragraph must be written **entirely in English**.
- The student must cover all the main fields related to maritime and transport law or at least 5 of them, as discussed in class,
- The answer must include **accurate and relevant vocabulary**; **general or vague sentences** will lose points.
- Any missing or additional ideas that were not part of the original material will reduce the score.
- The structure of the paragraph *should be coherent and logically connected*.
- Proper grammar, spelling, and punctuation are essential.
- A clear demonstration of understanding the subject matter is required.
- The total score **(8 points)** will be distributed based on completeness, accuracy, clarity, and language quality.
