

Coherence

Coherence is concerned with how a writer guides the reader through the argument using logical connectors. It can be achieved by using signposting phrases. A signpost is a phrase that a writer or speaker uses to indicate different stages or parts of a written or spoken text

Example: In contrast to the conclusion drawn by Smith (2004), Nguyen (2006) showed that the connection between the factors was not causal in most circumstances.

Importantly, Indeed, In fact, In fact, More importantly, In fact, More importantly, In fact, In contrast, Furthermore, Moreover, It is also important to highlight To emphasise this, Acknowledging something and moving to a different point Although Even though Despite The opposite view is The differentiation here is As a result, As a consequence, Summarising Finally, Lastly, In conclusion, In summary, Overall, The three main points are Adding a similar point Similarly, Lisewise, Again, Also, With respect to With respect to With respect to With respect to Compared to Rather, In contrast, In comparison, In comparison, In particular, In relation to More specifically, With respect to	Highlighting or emphasising a point	Changing direction or creating a
Indeed, In fact, In fact, More importantly, Furthermore, Moreover, It is also important to highlight To emphasise this, Acknowledging something and moving to a different point Although Even though Despite The opposite view is The differentiation here is As a result, As a consequence, Summarising Finally, Lastly, In conclusion, In summary, Overall, The three main points are Adding a similar point Similarly, Lisewise, Again, Also, More conversely, In conclusion, In relation to More specifically, Un repect to With respect to With respect to With respect to With respect to		comparison
More importantly, Furthermore, Furthermore, Moreover, It is also important to highlight To emphasise this, Acknowledging something and moving to a different point Although Even though Despite The opposite view is The differentiation here is As a result, As a consequence, Summarising Finally, Lastly, In conclusion, To summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, In relation to More specifically, More specifically, More specifically, More specifically, More specifically, With respect to In conclusion, More specifically, With respect to With respect to	Indeed,	However,
Furthermore, Moreover, It is also important to highlight To emphasise this, Acknowledging something and moving to a different point Although Even though Despite The opposite view is The differentiation here is Summarising Finally, In conclusion, In conclusion, To summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, Conversely, In comparison, Compared to In consider is Another point to consider is Following a line of reasoning Therefore, Subsequently, Accordingly, Accordingly, Accordingly, As a result, As a result, As a consequence, For example For instance, For example, this can be illustrated by, namely, such as	In fact,	Rather,
Moreover, It is also important to highlight To emphasise this, Acknowledging something and moving to a different point Although Even though Despite The opposite view is The differentiation here is Summarising Finally, Lastly, In conclusion, In summarry, Overall, The three main points are Adding a similar point Similarly, Likewise, Also, Also, In comparison, Compared to Another point to consider is Compared to Another point to Subsequently, Even though a line of reasoning Therefore, Subsequently, Accordingly, As a result, As a result, As a result, As a consequence, For example For instance, For example, this can be illustrated by, namely, such as Adding a similar point In particular, In particular, In relation to More specifically, With respect to	More importantly,	In contrast,
It is also important to highlight To emphasise this, Acknowledging something and moving to a different point Although Even though Despite The opposite view is The differentiation here is Summarising Finally, Lastly, In conclusion, To summariy, Overall, The three main points are Adding a similar point Similarly, Likewise, Also, Acknowledging something and moving to a different to consider is Another point to consider is Following a line of reasoning Therefore, Subsequently, Consequently, Accordingly, Accordingly, Accordingly, As a result, As a consequence, For instance, For example For instance, For example, this can be illustrated by, namely, such as	Furthermore,	Conversely,
To emphasise this, Acknowledging something and moving to a different point Although Even though Despite The opposite view is The differentiation here is Summarising Finally, Lastly, In conclusion, In summary, Overall, The three main points are Another point to consider is Following a line of reasoning Therefore, Subsequently, Hence Consequently, Accordingly, Accordingly, As a result, As a consequence, For instance, For example For instance, this can be illustrated by, namely, such as Adding a similar point Similarly, Likewise, Again, Also, More specifically, With respect to	Moreover,	In comparison,
To emphasise this, Acknowledging something and moving to a different point Although Even though Despite The opposite view is The differentiation here is Summarising Finally, Lastly, In conclusion, In summary, Overall, The three main points are Another point to consider is Following a line of reasoning Therefore, Subsequently, Hence Consequently, Accordingly, Accordingly, As a result, As a consequence, For instance, For example For instance, this can be illustrated by, namely, such as Adding a similar point Similarly, Likewise, Again, Also, More specifically, With respect to	It is also important to highlight	Compared to
different pointTherefore,AlthoughSubsequently,Even thoughHenceDespiteConsequently,The opposite view isAccordingly,The differentiation here isAs a result,As a consequence,As a consequence,SummarisingGiving an exampleFinally,For instance,Lastly,For example,In conclusion,this can be illustrated by,To summarise,namely,In summary,such asOverall,such asAdding a similar pointBeing more specificSimilarly,In particular,Likewise,In relation toAgain,More specifically,Also,With respect to		Another point to consider is
different pointTherefore,AlthoughSubsequently,Even thoughHenceDespiteConsequently,The opposite view isAccordingly,The differentiation here isAs a result,As a consequence,As a consequence,SummarisingGiving an exampleFinally,For instance,Lastly,For example,In conclusion,this can be illustrated by,To summarise,namely,In summary,such asOverall,such asAdding a similar pointBeing more specificSimilarly,In particular,Likewise,In relation toAgain,More specifically,Also,With respect to		
Although Even though Despite The opposite view is The differentiation here is Summarising Finally, Lastly, In conclusion, In summary, Overall, The three main points are Assubsequently, Subsequently, Hence Consequently, As a result, As a result, As a result, For instance, For example, this can be illustrated by, namely, such as Adding a similar point Similarly, Likewise, Again, Also, More specifically, With respect to	Acknowledging something and moving to a	Following a line of reasoning
Even though Despite The opposite view is The differentiation here is Summarising Finally, Lastly, In conclusion, In summarise, In summary, Overall, The three main points are Adding a similar point Seing more specific In particular, Likewise, Again, Also, Hence Consequently, As a result, As a result	different point	Therefore,
Despite The opposite view is The differentiation here is Summarising Finally, Lastly, In conclusion, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Lagain, As a result, As a result, As a consequence, Giving an example For instance, For example, this can be illustrated by, namely, such as Being more specific In particular, In relation to Again, Also, More specifically, With respect to	Although	Subsequently,
The opposite view is The differentiation here is As a result, As a consequence, Giving an example For instance, For example, In conclusion, To summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, Also, As a result, As a result a resul	Even though	Hence
The differentiation here is As a result, As a consequence, Giving an example For instance, For example, In conclusion, In summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, As a result,	Despite	Consequently,
Summarising Finally, Lastly, In conclusion, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, As a consequence, Giving an example For instance, For example, For example, this can be illustrated by, namely, such as Being more specific In particular, In relation to More specifically, With respect to	The opposite view is	Accordingly,
Summarising Finally, Lastly, In conclusion, In summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, Giving an example For instance, For example, For example, Such as For example, For example, Such as Being more specific In particular, In relation to More specifically, With respect to	The differentiation here is	As a result,
Finally, Lastly, In conclusion, To summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, For instance, For example, Sor example, Ithis can be illustrated by, namely, such as Being more specific In particular, In relation to More specifically, With respect to		As a consequence,
Finally, Lastly, In conclusion, To summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, For instance, For example, Sor example, Ithis can be illustrated by, namely, such as Being more specific In particular, In relation to More specifically, With respect to		
Lastly, In conclusion, To summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, For example, this can be illustrated by, namely, such as Being more specific In particular, In relation to More specifically, With respect to	1	
In conclusion, To summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, this can be illustrated by, namely, such as Being more specific In particular, In relation to More specifically, With respect to	1	
To summarise, In summary, Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, In amely, such as Being more specific In particular, In relation to More specifically, With respect to	•	• •
In summary, Overall, The three main points are Being more specific In particular, Likewise, In relation to Again, Also, With respect to		-
Overall, The three main points are Adding a similar point Similarly, Likewise, Again, Also, With respect to	1	• •
The three main points are Adding a similar point Similarly, Likewise, Again, Also, Being more specific In particular, In relation to More specifically, With respect to	1	such as
Adding a similar point Similarly, Likewise, Again, Also, Being more specific In particular, In relation to More specifically, With respect to	1	
Similarly, Likewise, Again, Also, In particular, In relation to More specifically, With respect to	The three main points are	
Similarly, Likewise, Again, Also, In particular, In relation to More specifically, With respect to	Adding a similar point	Being more specific
Likewise, Again, Also, In relation to More specifically, With respect to		
Again, More specifically, Also, With respect to		,
Also, With respect to
